

## The exception to enforcement the Ministerial regulations of comprehensive plans for the industry operations according to the Order No.4 of National Council for Peace and Order (NCPO)

In order to give force to the currently Ministerial Regulations of comprehensive plans including to the other comprehensive plans that will be enacted within one year for the engagement in factory business as follows:

1

**Fuel Depot**, according to control law

- Factory Act, B.E.2535.
- Fuel Oil Control Act, B.E.2535 regarding type of factory No.88 (Electric Power Industry)

2

**Electric Power Industry**, according to Factory Act, B.E.2535, Fuel Oil Control Act B.E.2535 regarding type of factory No.88 (Electric Power Industry) that is specified on the plans as follows:

- Thailand's Power Development Plan, B.E.2558-2579 (PDP 2015)
- Alternative Energy Development Plan, B.E.2558-2579 (AEDP 2015)
- Oil Plan, B.E.2558-2579 (Oil Plan 2015)
- Gas Plan, B.E.2558-2579 (Gas Plan 2015)

3

**Factory Industry**, according to Factory Act, B.E.2535, for the engagement in factory business as follows:

- Factory type No.89 : Gas Plant that does not produce the natural gas as Biogas plant
- Factory type No.101: Central Waste Treatment Plants as sewage disposal plant, incinerator
- Factory type No.105 : Industrial Waste Sorting Plant, landfill
- Factory type No.106 : Industrial Waste Recycling Plant

4

**other factory that is related solid waste disposal industry**

In this case, the operation of industrial facilities have to be complied with laws related to Factory Act, National Environmental Quality Act etc. in order to defend against environmental impacts and build the public confidence as well.
